## Steam Cooking

Brandt offers you 3 new functions which automatically combine two cooking methods:

- Traditional cooking + Steaming

In order to preserve the nutritional qualities of foods and achieve faster cooking.

### **WHITE MEAT**

Recommended for preserving the softness and tender character of roast pork and veal.

### **FISH**

Recommended for cooking whole fish or fillets.

### **POULTRY**

Recommended for cooking chickens, turkeys, guinea fowl and ducks.

For combi-steam function, all you need is 2 simple steps:

1. Add sufficient lukewarm water to your drip pan and place it in your oven on the bottom shelf.
2. Place your food on level 3.

\*\*For the quantity of water to be placed in the drip pan, refer to the table of automatic combined functions with combination of steam at the end of the user manual.
